HOW MANY COURSES ARE REQUIRED?

The AAS in Recording Arts degree program requires a minimum of 96 credit hours to complete. At Flashpoint Chicago, that's 24 courses. If you take 4 courses each quarter, you'll be able to complete your degree requirements in 6 quarters.

HOW LONG WILL IT TAKE?

If you enroll in Fall, Winter, and Spring quarters and take the Summer quarters off, you can complete your 6 quarters in 2 years. If you attend full-time continuously, including during the Summer quarters, it is possible to earn your associate degree in less than 2 years.
